

Message from Michael

Students have continued to produce great work in lessons, with KS4 creating some particularly commendable diary writing in English. Our KS2/3 class have also shown excellent enthusiasm and work ethic through their World War II project.

It has been fantastic to see growing confidence during Empowerment sessions, with students caring for and leading horses, as well as real creativity shown in our Friday projects restoring a chest of drawers.

As we approach the end of term, students will be culminating their learning through upcoming visits, with KS2/3 heading to the D-Day Museum and KS4 visiting Birdworld to support their Science topic on evolution, inheritance and variation.

As there will be no newsletter next week, I would like to take this opportunity to wish you all a restful Easter break and thank you for your continued support of both your children and the school.

KS2/3

Students have been busy in their cooking lessons creating delicious Easter treats, as well as baking traditional Irish soda bread to celebrate St Patrick's Day.

In Mini Enterprise, they have been transforming an old chest of drawers—sanding and repainting it to give it a fresh new look. We've also made the most of the beautiful weather, spending plenty of time outdoors enjoying the sunshine.

KS4

KS4 students have also been making the most of the sunny weather, exploring the school grounds and enjoying outdoor sketching.

Last week, everyone took part in a campfire cooking activity, where they cooked sausages and made delicious s'mores using toasted marshmallows and chocolate digestive biscuits.
